What Causes Duplicate Charges? Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710

Duplicate charges are another concern that occasionally affects Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 online travel bookings. A duplicate charge occurs when Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 two or more payments appear for what seems Customer Service Phone Number 1-800-900-1431 Direct Line

+1-888 (821)7927 US OR UK +44 203(190)8710 to be the same reservation. While this situation Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 can understandably cause concern, duplicate transactions do not Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 always mean that multiple payments have been permanently Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 collected. Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710

One common reason for duplicate charges involves multiple Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 booking attempts. If a customer clicks the payment Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 button more than once because the confirmation page Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 takes longer than expected to load, the system Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 may process more than one payment request. Similarly, Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 refreshing the browser during payment processing can occasionally Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 create additional transaction records. Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710

Another possibility involves pending authorizations Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 and completed payments appearing separately on the Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 payment statement. Financial institutions sometimes display both transactions Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 temporarily until the authorization expires. Although this can resemble Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 a duplicate payment, only one charge ultimately remains after Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 processing is complete. Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710

Occasionally, hotels or travel suppliers may place a Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 temporary authorization while Flighthub processes Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 the reservation payment independently. Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 Because these transactions originate from different systems, they may Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 appear similar even though they serve different purposes. Carefully Customer Service Phone Number 1-800-900-1431 Direct Line +1-888 (821)7927 US OR UK +44 203(190)8710 reviewing transaction descriptions and dates often helps distinguish

During the investigation, Flighthub may coordinate with travel suppliers and payment processors to determine exactly how the transaction occurred. If an error is confirmed, appropriate corrective action may include reversing an incorrect charge, processing an eligible refund, or providing additional clarification regarding the payment.

Customers can support the investigation by providing complete and accurate information from the beginning. Reservation numbers, payment dates, transaction amounts, confirmation emails, and screenshots of bank statements often help investigators locate the relevant records more quickly. Maintaining organized documentation throughout the process also makes it easier to respond if additional information is requested later.

Although every investigation differs depending on the circumstances, providing detailed information and responding promptly to support requests generally contributes to a smoother resolution process.
